Building Maintenance Technician – Orland Fire Protection District, Orland Park IL

The Orland Fire Protection District (OFPD) is accepting resumes for a Building Maintenance Technician position in Orland Park, IL.

The Building Maintenance Technician is responsible for custodial, maintenance and grounds keeping activities in association with district protocol and procedures in order to maintain district buildings/grounds in such manner so as to preserve them in a state of operating excellence.

Qualification requirements: High School diploma or general education degree (GED) and five years of responsible experience in building and mechanical equipment maintenance and repair; or an acceptable equivalent combination of education and experience. HVAC certification, electrical, plumbing and carpentry experience preferred.

Must possess, at a minimum, a valid Illinois Class B Driver's License (or equivalent) at the time of hire and maintain it throughout the course of employment.

Equal Opportunity Employer
