### OPEN HOUSE & FAMILY FUN DAY!!

*DEMONSTRATIONS WILL BE EVERY 1/2 HOUR*

Our Annual Open House will be held on Saturday, July 21, 2018 from 10 a.m. - 1 p.m. Our Open House features a wide range of demonstrations showcasing how firefighters address various emergency situations. On display, different major fire equipment that is used for emergency responses will be shown. A surprise scenario will be displayed at some point during the day.

This event features free give-a-ways, and different Community Organizations throughout the district will have tables of information and prizes. Our Senior Advisory Council will, once again, be on hand to help the staff of the District.

**This day is for ALL AGES! It is fun, educational and interactive for everyone!**
